ORAL ORDER
(Passed on 09th October, 2007)

According to the petitioner, in the proceedings under Section 170 (b) of the M.P. Land Revenue Code, 1959 for deciding the case in his favour as the petitioner who belongs to Scheduled Tribe had purchased a land from a non-scheduled tribe, the matter came to its logical end. However, fresh proceedings have started and notices were issued to the petitioner in response to which the objection was filed on 17-09-1997. After filing the objection the petitioner has filed this petition and an interim order was granted, therefore, the objection could not be decided.

The petitioner has already availed the remedy by filing the objection. Therefore, this Court is of the considered opinion that the interest of justice would suffice if objections are considered and decided expeditiously in accordance with law in the background of the fact that earlier notices have already been discharged.

With this observation writ petition stands disposed of.
